

Waste Disposal Options

1

OPTION

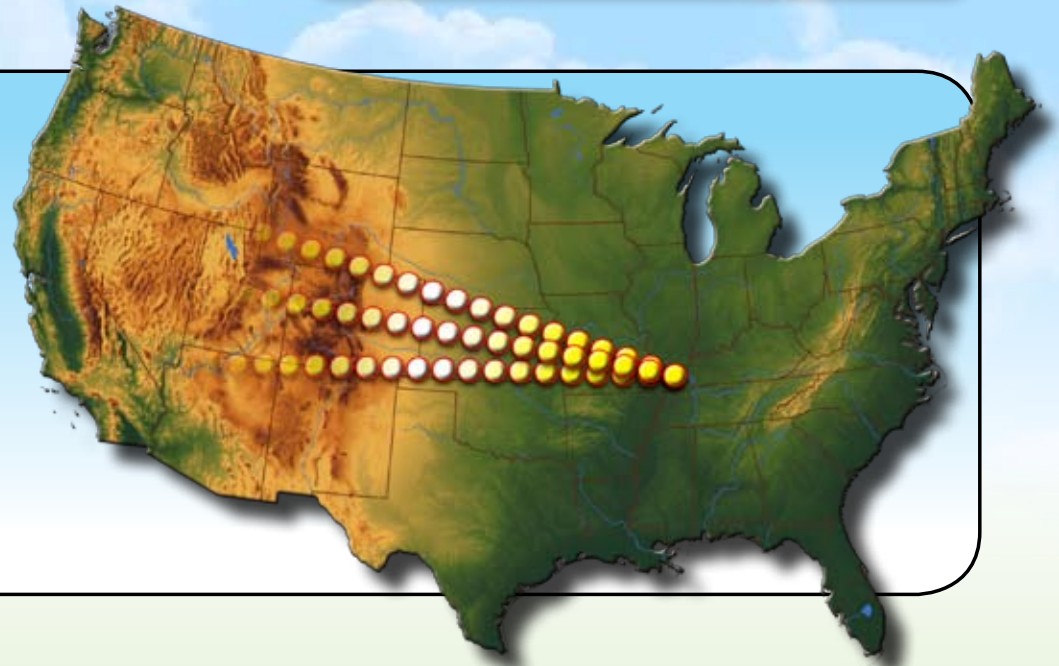

Continue existing process to evaluate and dispose of waste on a project-by-project basis.*

2

OPTION

Make a sitewide decision to ship waste to licensed facilities in other states.*

3

OPTION

Build a new waste disposal facility on the Paducah Site to dispose of project generated wastes.*

***ALL SCENARIOS ASSUME THE FOLLOWING:**

- 1. Some waste will need to be shipped off-site for disposal.**
- 2. Waste acceptable for disposal in the current on-site landfill will be disposed of there.**
